

Satisfactory Academic Progress Warning Acknowledgment

Based on a review of your recently completed semester, we are notifying you that you are not meeting the minimum standards of Satisfactory Academic Progress (SAP) that are required in order to continue to receive financial aid. SAP is based on three criteria that you must meet to keep your financial aid: Cumulative Grade Point Average (GPA), Completion Rate (completed credits / attempted credits), and maximum timeframe. These criteria are detailed in the enclosed Satisfactory Academic Progress policy.

You are being placed on Financial Aid Satisfactory Academic Progress (SAP) Warning.

What You Must Do Now:

- **Please review the enclosed Satisfactory Academic Progress Policy and the criteria** required to qualify for financial aid. Progress toward degree completion is reviewed at the end of each semester (fall, spring, and summer) for all semester-based, day students and after increments of 21 weeks for term-based, online students.
- **Sign, and return this notice to the Office of Financial Aid acknowledging that** you have read and understood the SAP Policy. *Please note you will not receive financial aid for the current semester until this completed form has been returned to our office. A handwritten signature is required.*

Also note that if you fail courses or withdraw from courses in the upcoming semester(s), this will further impact your GPA and/or completion rate and you could lose your financial aid eligibility. Please be sure to use the Add/Drop period at the beginning of each semester/term to determine if you can complete the courses you have enrolled in so that you do not lose financial aid in the future.

Tutoring services and academic support are available to semester-based, day students at the *Center for Student Success*. If you are in need of assistance, they can be reached by phone at 207.992.1934 or by email at studentsuccess@husson.edu. Term-based, online students should reach out to their academic advisors for additional support.

If you have questions regarding your financial aid eligibility, please contact our office by phone at 207.941.7156 or by email at finaid@husson.edu.

Sincerely,

Husson University
Office of Financial Aid

I have reviewed this letter along with the Satisfactory Academic Progress policy, and understand what is required for me to continue to receive financial aid at Husson University.
